

Clement eldest son of John1 Noel of Freshwater married Mary Hopkins in 1812 and seems to have relocated from Freshwater to Carbonear.

Their known children.

Elizabeth	Clemence & Mary	b Apr 13 1820	bap Apr 17 1820
Olivia	Clement & Mary	b Mar 10 1813	bap Jan 22 1815
George	Clement & Mary	not given	bap Feb 27 1823
Edward	Clement & Mary	not given	bap Nov 1 1827

From this point on everything is highly speculative.

DO YOUR OWN RESEARCH.

It seems likely that Clement also had sons John of C, Richard and Charles.

Possible descendants of Clement:

Noel brothers might have married Howell sisters, daughters of Francis Howell and Frances Horwood of Carbonear.

The 1864 Hutchins Directory lists:

NOEL, Clement	Fisherman	Water, east
NOEL, Richard	Fisherman	Water, east

Richard is likely a son of Clement but possibly of John2?.

The 1871 Lovell Directory:

I am assuming that this is Clement with son John and daughter-in-law Susannah. Charles is a son (or grandson)?????

John of C (b ca 1824) married Elizabeth Ash in 1845????.

Jany 1, 1845	Carbonear	NEWELL	John	Carbonear	John S. Addy	George Noel

George his brother?

John Sharpe's Directory 1885

Noel, John	fisherman	Harbor Rock hill
Noel, John	fisherman	Harbor Rock hill
Noel, Edward	fisherman	Harbor Rock hill

I believe this is John Sr (b ca 1824) and John Legge Noel his son.
Edward unknown but could be of Clement.

Might Directory 1890

NOEL	George	Fisherman	res Water
NOEL	Edward	Fisherman	res Water
NOEL	Mrs Jessie	Teacher, Mosquito	
NOEL	Wm	Fisherman	h Water

George and William (of John in 1904 directory) likely brothers of John Legge Noel.

Lots of strays remain to be attached.
